Re: Bucci vs. Luigi Bormioli Corp

Hon. Judge Netburn:

I represent the Plaintiff in the above referenced case and am writing on behalf of both parties to provide a status report to the Court. We apologize for not submitting this letter yesterday, but are pleased to report that we have settled the case in principal and are working on finalizing the settlement agreement. We would request an additional three weeks to either file a stipulation of dismissal with the court or to discuss modifying the discovery schedule.

Respectfully Submitted,
/s/
